Notice of Lodging of Two Proposed Consent Decrees Under the Toxic Substances Control Act

On February 28, 2023, the Department of Justice lodged two proposed Consent Decrees (the “Consent Decrees”) with the District Court of the Southern District of New York in a lawsuit entitled *United States of America v. CISNE NY Construction, Inc., et al.*, Civil Action No. 22-338.

In this action, the United States seeks, as provided under Toxic Substances Control Act (“TSCA”), injunctive relief from Edison Ruilova and Jose Paccha, among others, in connection with the defendants’ unlawful work practices during renovations governed by an implementing regulation of the TSCA—the Renovation, Repair, and Painting Rule, 40 CFR part 745. The proposed settlements resolve the United States’ claims, require Edison Ruilova and Jose Paccha to pay \$25,000 each, and impose injunctive relief.
